Student questionnaire about the didactical skills of the assistant

Good education and quality assurance are of primordial importance at the Faculty of Science. Therefore, sessions on didactical professionalization are organized by the faculty, which are obligatory for starting assistants since the academic year 2010-2011.

Your opinion about the didactical skills of the assistants of the excursions, practice and lab sessions can help them to improve their skills and become better educators. Therefore we ask you to honestly answer the questions below.

Your answers will be treated anonymously and will be used only by the assistant in order to offer better education in the future.

Thank you for your cooperation!
